

## Future Earth Excursion to Crans-Montana, Switzerland

Dear participants,  
we are delighted that you will join us for the excursion to Crans-Montana on Sunday, 26 June.  
During this daytrip we will:

- **Learn** about a concrete project on sustainable water use in an alpine region and how an inter-and transdisciplinary research project supported co-production of knowledge;
- **Reflect** on co-design and co-production of knowledge with all participants and exchange experiences with other core projects such as PAGES, GMBA, and MRI.
- **Enjoy** time for informal discussions in a touristic environment and during wine tasting
