

# Application for Scientific Steering Committee for the 2018 Cities and Climate Change Science Conference

The 2018 Cities and Climate Change Science Conference co-sponsored by the Intergovernmental Panel on Climate Change (IPCC), promises to be a pivotal event in developing the global understanding of cities and climate change.

In order to prepare for this important event, the organizers are looking for members to be part of the Scientific Steering Committee (SSC), whose key mandate will be to develop the scientific strategy and vision to achieve the conference objectives
